Dear Mr. Cannizaro:

In celebration of National Engineer's Week, the Westchester/Putnam Chapter of NYSSPE recognizes a Professional Engineer who, over the years, has made significant contributions to the profession. This year the Board of Directors of the Chapter has elected to honor you with the Outstanding Engineer in Construction award. The Board unanimously agreed that you have made considerable contributions to the profession through your service in the construction industry, as well as to NYSSPE, NSPE, and we welcome the opportunity to honor you for your achievements.

This year's awards will be presented at our annual Engineer's Week Dinner Dance to be held on February 24, 2007, 6:30 pm at the Unique Affair in Briarcliff Manor. We would like to invite you and a guest as guests of the Chapter to that event. Please RVSP at your earliest convenience.

Congratulations – recognition of your service to the engineering profession is well deserved.

Very truly yours,

Victor G. Carosi, P.E.
President
